ARUN...Oke Okkadu. Oke Okkadu Movie Songs 2018 Full HD. . Description 'Oke Okkadu' (English: I love you) is a 2017 Telugu romantic comedy film directed by debutant Vishnuvardhan and produced by Kamal Kumar under the V S Films banner. The film stars Nandamuri Balakrishna and Shraddha Kapoor in the lead roles with Brahmanandam and Prabhas in supporting roles. The film has been shot in Hyderabad and released in theatres on 23 October 2017. Plot Govinda (Bharat) is a rich groom who falls in love with Kamala (Shraddha Kapoor), an aspiring actress. Both families have different views on the matter. There's also a twist in the tale as Govinda has a twin brother, Arun (Nandamuri Balakrishna), who believes Kamala is in love with him. Both brothers fall for Kamala, but she only loves Govinda. Hence, the two brothers clash. Kamala's mother (Suchitra) is not too pleased with their love affair, but Kamala also does not want her parents' disapproval. What happens next? How will Kamala choose between Govinda and Arun? Will their love be able to take them through all the trials of life? Cast Nandamuri Balakrishna as Arun Shraddha Kapoor as Kamala Brahmanandam as Nandamuri Prabhas as Kamala's father Ravi Prakash as Arun's father Rao Ramesh as Govinda's father Giri Babu as Kamala's father's friend Srinivasa Reddy as Arun's friend Mallikarjuna Rao as Arun's friend Production Oke Okkadu is the directorial debut of Vishnuvardhan, a theatre actor who has also written several plays. He had been writing the script since 2013 and started shooting on the film in early 2015. The film has been produced by Kamal Kumar under the banner V S Films. V S Films had earlier produced the blockbuster 2015 hit Pelli Choopulu. The team roped in Balakrishna, who plays the role of brother of Balakrishna, for the film. Shraddha 82157476af
